Dr. Sidor's report will include:

- Legislative Update will include two items: House Bill 7055 that extends free tuition benefits to private schools and homeschools for all terms, not just summer. Additional funding is not being provided to support this free initiative.
- Senate Bill 4, Free Speech Zone Language that removes all restrictions to designate protesting areas.
- Dr. Sidor will bring sample Mission statements to the board for discussion.

Dr. Bigard discussed:

- Disc Golf Course construction will begin in the fall.
- A proposal to begin fundraising for a Cross Country team will come forward. This will expand athletic opportunities to students that attend classes in South Lake. Although Leesburg is our home field for softball, some games are scheduled in South Lake.
