*Students in programs marked with an asterisk (*) are considered non-degree seeking and are not eligible for federal or state financial assistance. LSSC technical certificates are embedded within AS degrees; students in these programs may declare an AS degree as their primary goal and a related certificate marked with an asterisk (*) as a secondary goal at LSSC.

** The Industrial Management Technology A.S. degree requires prior completion of a 900+ clock hour PSAV Certification to enroll. Hours must be verified to register for this program.

Note: If you are changing to degree seeking status, additional documents may be required, including (but not limited to) official PERT, ACT, or SAT scores; an official high school transcript or GED; and/or official transcripts from each previously-attended college or university. Submit transcripts to the LSSC Admissions and Records Office, 9501 U.S. Hwy. 441, Leesburg, FL 34788.

Requests submitted after the add/drop deadline will be processed for the following semester.
